October 2020

RE: Renewal Incentive for CREW Jacksonville Partnership

We would like to extend our sincerest thanks to you for all that you have done to support CREW Jacksonville. We would not be able to provide our members with such an extraordinary value without our partners support.

Although this year presented major challenges, we have continued to administer creative events to keep our members engaged and our partners highlighted at the forefront of everything we do. Realizing that we could not control the unfortunate circumstances of 2020, we still want to continue to offer valuable opportunities for our partners such as the ability to be a Spotlight Presenter for our virtual CREW Jacksonville Coffee Connection.

We acknowledge as the partnership renewal timeframe quickly approaches that these expenditures will be closely reviewed for value this coming year. Therefore, CREW Jacksonville would like to graciously extend a **15% incentive towards your 2021 Partnership Renewal Fee**. Reserve your organization's partnership today to ensure your company's presence (name and logo) will be highlighted in all of CREW Jacksonville's 2021 information and materials!

All of us at CREW Jacksonville want to thank you for your support and commitment to our success and we are looking forward to a victorious 2021 together!

The levels of sponsorship are outlined on the following pages. For further details on benefits or information about CREW Jacksonville, feel free to contact me at 904.400.8134 or [kinita\\_king@us.aflac.com](mailto:kinita_king@us.aflac.com).

Best Regards,

*Kinita King*
