RE: CREW Jacksonville Partnership Opportunities

Dear Partner:

CREW Jacksonville is a local chapter of CREW Network, a national organization comprised of over 11,000 commercial real estate professionals, both women and men, in more than 70 major markets across North America. The organization is dedicated to "influencing the success of the commercial real estate by advancing the achievements of women" and giving back through its philanthropic arm to the communities in which its members reside.

We would like to extend an invitation to your organization to partner with us in 2019 to support our worthy mission. As a partner your organization will be afforded the opportunity to participate in industry networking, business development, leadership opportunities and professional education. Additionally, your partnership will present you with an outstanding opportunity to generate visibility and connections for your business.

CREW Jacksonville events, programs, promotions, and digital media are proven platforms in which to showcase your business, promote your services, gain referrals and establish or enhance relationships within the commercial real estate industry. Engage with the best and the brightest in commercial real estate in Northeast Florida as a partner of CREW Jacksonville.

Reserve your organization's partnership program today to ensure your company presence (name and logo) will be highlighted in all of CREW Jacksonville's 2019 information and materials!

The levels of sponsorship are outlined on the following pages. For further details on benefits or information about CREW Jacksonville, feel free to contact me at 904.900.1779 x4700 or candis.miller@apexcos.com.

Best Regards,

Candis
